Being it's the last meeting of the year, I did a speech and its sitting on the top of my copier in my office as we speak. I want to thank my fellow councilmates for their trust, faith and support in me. A Council President is only as good as his or her fellow councilmates with their support and guidance. It is a title I truly respect and honor and will take with me forever. I want to thank the Mayor, Mr. Cimilluca, Mr. Mitch, Mr. Haggerty, and Caroline for your unwavering support on the daily basis throughout the year. I want to thank all the directors and division heads, please thank your staff, we say it every meeting that the line of staff are the ones that make us look good up here. You have made it very easy for me to navigate through our council meetings. Mr. Mitch, as always, I want to thank you and the wonderful ladies in your office, nothing happens on the daily basis that doesn't go through your office. We are always very well prepared. I joke around a lot that 32 years ago I was a pimple faced, snot nosed little brat and you were my first chief of the fire department. I always bring it up, it's something I truly admire and treasure. Council Vice President McAuliffe, I wanted to thank you for your support as my Vice President. I truly look forward to serving you as our Council President next year. The Council President has to have the ability to communicate, be fair and speak with the residents. I feel I have done that and along those lines, the Council Presidents responsibility is to navigate through the misinformation that is purposely put out by residents to make it work to their advantage for whatever reason, there was a lot of that this year. That is something that I'm not going to let happen on my watch or Council

Vice President McAuliffe's watch nor any Council President I have served under. It has been fun and I look forward to going back to one of these seats. Thank you, Council President, for your leadership. The whole year we had challenges, you took them very nicely, I admire that so thank you. It is with profound sadness that we acknowledge the passing of Woodbridge Police Officer Michael Dennis Tenpenny, he was a lifelong resident of Iselin, dedicated public servant and a proud member of the Woodbridge Police Department. He served with honor, courage and very high moral values. He was a graduate of JFK Memorial high School and Montclair State University. He was respected not only for his service in uniform but for the kind, disciplined and selfless person he was. On behalf of the council, we extend our heartfelt prayers for the eternal peace to his soul and our deepest condolences to his parents, family, fellow officers and all who were blessed to know him. His service and legacy will always be remembered. I also wanted to take a moment to share my sympathy with the Iselin family who lost their home in a recent fire. This was a very hard situation and our thoughts are with them during this difficult time. If anyone in the community is able to help with donations or support to help them stay warm and replace their belongings, that would be greatly appreciated. Iselin and Menlo Park Terrace always come together in times like this and I thank everyone for their kindness and support. I want to also thank our Public Works employees for their hard work cleaning the roads after Sunday's storm. After the storm, they worked long hours for the community and thanks to Mr. Brew for your leadership and dedication. I want to wish all the residents a Merry Christmas and Happy New Year. May this holiday season bring peace and joy to you and your families. As we welcome the New Year, may it bring health and happiness to you all.

Mr. President, I want to thank you for a great year. We do talk 7 days a week, so thank you for that. We are going to retire to Executive Session at the end of this meeting.

MAYOR:

Council President Spillar: Mayor.

John E. McCormac, Mayor: Thank you Council President.

I want to congratulate and thank the Woodbridge Police Department for their show of support for Officer Tenpenny and his family. Particularly today, the church was packed and there had to be ¼ of our police department out there in uniform walking, lining up outside together and escorting the casket. It was a great show of strength and support from our own. The comradery and the partnership between the members of the Woodbridge Township Police Department from the Rookie to the most veteran cop was just unbelievable. Director Nisky did a fantastic job. Sargent Agosta was the leader of the procession, the ceremony and making sure everything worked. Nobody gets a chance to see the whole procession, but TV35 filmed it as they came in through town hall. The last call was touching and it shows how our police department is with not only the job they do but the way they care about each other, stand up for each other and help each other. It was heartwarming to see.

On a business note, a lot of people may have noticed that we have not had a Friday call in the last 4 weeks. If you haven't noticed, thanks a lot it means you care about what I say. The service company we used got hacked, but we are still recording on TV35 to let you know what's going on in town. With everything happening in December, we probably would have never fit everything in 2 and a half minutes anyway. Hopefully we will be back soon.

I wanted to say thank you to George Brew. What we got was unexpected, but as usually they did a phenomenal job.

Odd numbered years are tougher than even numbered years, crazy things happen the first Tuesday of an odd numbered year. Many weeks and months before that, these meetings get difficult, hard, controversial and we had a lot of big issues this year such as Sea Quest, feral cats, people coming from all over to make a point to us in which they do not know what we do, so I respect that, but it was a very difficult year and this is coming from somebody who has been coming to these meetings for a very long time. The job you did as Council President by refereeing, quarterbacking, and keeping everybody respectful was handled incredibly well. You did a phenomenal job as Council President and it was a great honor to work with you and be a friend of yours. I remember way back when there was an opening in the 3rd Ward and you were so anxious to get on council and be a public servant. This year was the best I have ever seen you do.

Council President Spillar: Thank you, Mayor, I really appreciate that.

ADMINISTRATION & FINANCE:

Council President Spillar: Mr. Cimilluca.

Vito Cimilluca, Business Administrator: Thank you Council President.
